

Jane Freud is a special counsel who serves as coverage and litigation counsel to domestic and international insurers in matters involving various forms of professional liability coverage, including D&O, E&O, and EPL coverage. Jane has served as coverage counsel with respect to complex insurance claims such as securities fraud class action lawsuits, derivative actions, regulatory investigations and proceedings, employment-related litigation and legal malpractice litigation.

Jane also serves as coverage and litigation counsel with respect to general liability insurance matters, including products liability, environmental contamination, asbestos, and other mass toxic tort claims.
